

# Flare Down Lights

ITEM SKU#: 662187493329

|  |                                    |
|--|------------------------------------|
| <b>Product Code : IK-RFLAREDL-12W-35K-BL-90C-60D</b> |                                    |
| Voltage  | 100 - 277 V AC, 50-60 Hz           |
| Lumen Output   | 1080lm                             |
| Power  | 12W                                |
| Efficacy   | 90lm/w                             |
| CCT  | 3500K                              |
| CRI  | >90                                |
| Beam Angle   | 60°                                |
| Light Distribution                                   | Wide flood                         |
| LED Light Source                                     | Osram SOLERIQ S 19                 |
| Start Time   | Instant                            |
| Driver   | Stand Alone (included)             |
| Operating Position                                   | Non - Swiveling Type               |
| Dimming  | On-Off / Triac / 0-10 V            |
| Construction   | Sqaure                             |
| Mounting Type  | Recessed                           |
| Heads  | Single Head                        |
| Finish   | Black                              |
| Height   | 2-3/8"                             |
| Diameter   | 4-3/8"x4-3/8"                      |
| Cut Out  | 4"x4"                              |
| Optics   | Darklight Technology Black, Silver |
| Application Area                                     | Outdoor Corridor, Bathroom, Eave.  |

## Beam Spread (Option)

Flare downlight is a square shaped fixture, that illuminates a store in the most effective manner without being obtrusive. The smart engineering of the luminaire with specular reflector & power grid/ global connectors along with high voltage standing in-house LED driver makes it an ideal choice for lighting your stores.
